

Lemont Artists Guild (501c3 NFP) Presents
**Marbling on Paper
Workshop**
With Betty Burian Kirk
Saturday, April 22nd, 2017

Betty Burian Kirk will present *Marbling on Paper* workshop covering the history, supplies needed to marble as well as demonstrate various marbling techniques. Marbling is an old art that is done by floating inks or paints on "heavy water". The paints can be manipulated and then a prepared piece of paper is laid on the floating pattern. The paper is carefully lifted off of the paints and rinsed to complete the intriguing technique. This is a great way to learn how to do marbling, Betty will have all the supplies and equipment ready for you to roll up your sleeves and start creating.

Betty Burian Kirk is an active fiber artist and instructor. She has a BS ed and a MA ed degree in art from Northern Illinois University and has taken classes and workshops from nationally renowned fiber artists.
